230 or 110v, 50Hz, 100w

Dimensions

400L x 300W x 190H (mm)

Weight

5kg

(Specifications are subject to change)

MICROFILM EQUIPMENT

16/35MM ROLL FILM,
3M AND KODAK
CARTRIDGE.

The Solar Inspection Loader is available motorised or hand wound and both are ideal for quality control. Both units are simple to operate. The motorised model offers excellent slow scanning control and variable speed control or push button fast/slow control. The hand wound offers 2:1 gearing for minimum effort.
